Check in for "A" rides will start on Friday at 3 p.m. Check in for Sunday "B" horses will start Saturday evening. A saddle is required on the ride, but there are no restrictions on type. In camp, horses will be trailer-tied in accordance with NATRC rules. Hay or other feed is not available for purchase. Stallions must be double tied and ridden only by an adult. After 10:00 p.m., all should be quiet so we can rest for the next day's ride. Dogs must be on leash and well behaved; absolutely no loose or noisy dogs. All minors under 18 years of age must be accompanied by an adult in camp, and management strongly suggests juniors be accompanied by an adult on the trail. ABSOLUTELY NO SMOKING ON THE TRAIL. Water will be available for horses in camp; bring your own to drink. Jackson Forest has no potable water. Camp is far from stores, so bring necessary food and supplies with you. There are no hookups, but toilet facilities are available. If, due to extenuating circumstances, a rider finds it necessary to leave prior to announcement of awards, riders must advise both ride chairman and appropriate division judges (Rulebook Section 5.A.5, p. 5-1).

Friday night will be a potluck dinner. Please bring a dish to share!

As usual, there will be a dinner on Saturday evening. Saturday's dinner is a catered meal, and there will be full breakfast available on Saturday and Sunday mornings with advanced purchase. Muffins and coffee free to everyone. We will also have a free Sunday hotdog lunch.

Directions: Go north on 101 from the city of Ukiah for about 15 miles, take the Highway 20 off-ramp into the town of Willits. At the 3rd stoplight turn west on Hwy 20 and proceed west approximately 17 miles on a scenic winding highway. Watch for a sign stating "horse camp" on your right and the historic Little Red Schoolhouse on your left. **Continue on** over a bridge and turn left into the Jackson Forest Day Use area – MAKE A U TURN THERE and head back west over the bridge. Turn right onto the forest service road, and left again on the first gravel road. Camp is ¾ mile on the left. There is no real GPS address, if you use a GPS put in the address 15800 State Highway 20, Fort Bragg Ca. That is the Chamberlain Creek Conservation Camp – the U Turn is right across from that. There is very little phone service in the camp so you can't call into camp. If you are arriving on Friday we will have the turns well marked.

Located in the middle of California's coastal redwood region, on the western edge of Mendocino County at Fort Bragg; The area has a long history of industrial logging activity, which began in 1862 and continued under private ownership until the State's purchase of the property in 1947. Today, more forest growth occurs each year than is harvested. The most common tree on the forest is coast redwood, but visitors will also find Douglas fir, grand fir, hemlock, bishop pine, tanoak, alder, madrone and bay myrtle.

Three demonstration trails have been developed with trail guides to inform visitors about the ecology, history and management of the redwood forest. There are also numerous hiking trails situated in historically and ecologically interesting settings, such as the Waterfall Grove Trail and the Forest History Trail. Recreational activities include camping, hiking, biking, horseback riding, swimming and picnicking.

There are two main overnight camping areas with a number of campsites, including equestrian camps. There is no single-use fee for camping. **Campsites have picnic tables, fire rings, and pit toilets. There is no water at the campsites or day use areas. Pets are allowed but must be on a leash.** Permits are required for overnight camping and group events, firewood cutting and mushroom harvesting. Hunting is allowed in season. No fishing is allowed per Department of Fish and Game rules.
