The Ride is sanctioned by the NORTH AMERICAN TRAIL RIDE CONFERENCE and will be conducted under the rules as published in the 2021 NATRC Rule Book.

OPEN DIVISION is timed for a well-conditioned horse that can trot evenly on the flats and walk fast up and down slopes. Horse must be 5 years or older. The distance is 30 miles a day or 50 to 60 for the weekend at 4 - 6 mph. COMPETITIVE PLEASURE DIVISION is for those experienced competitors who don't want to advance to the faster pace in the Open Division nor be in competition with those in the Novice Division. Good conditioning is important for the ride. Horse must be 4 years or older. The distance is 20 miles a day or 35 to 40 for the weekend at 3.5 - 5 mph. NOVICE DIVISION is timed at brisk and steady walk. Horses must be 4 years or older. The distance is 20 miles a day or 35- 40 for the weekend at 3.5 - 5 mph. LEISURE DIVISION classes are Experienced, Adult and Junior. The distance is about 10 miles for the day.

**Weight classes** for Open, CP and Novice are according to the rider + tack. Lightweight is 100-189 lbs., heavyweight is 190 lbs. and up. Juniors are 17 years and under, no weight restrictions.

**JUNIORS** must wear an ASTM/SEI, Snell, or approved equal equestrian riding helmet at all times while mounted.

REGULATIONS - You are in competition from the time you present your horse for pre-ride examination on Friday (Saturday for Sunday's Novice B) until final vet check on Sunday. LEISURE division checks in on Saturday morning and final check is Saturday afternoon. A saddle is required on the ride, but there are no restrictions on type of equipment used. At camp, horses can be trailer tied or in portable corrals that are securely fastened to the trailer. Hay or other feed is not available for purchase. Stallions must be double tied and ridden only by an adult. After 10:00 pm on Fri & Sat, all should be quiet so we can rest for the next day's ride. **Dogs must be on leash and well behaved; absolutely no loose or noisy dogs.** All minors under 18 years of age must be accompanied by an adult in camp, and management strongly suggests juniors be accompanied by an adult on the trail. **ABSOLUTELY NO SMOKING ON THE TRAIL.** Water will be available for horses in camp; bring your own to drink. Because camp is far from stores, bring necessary food and supplies with you. There are no hookups, but toilet facilities are available. Eating together is part of the fun, plus a way to make new friends, but MEALS MUST BE RESERVED IN ADVANCE SO WE WON'T RUN OUT. If, due to extenuating circumstances, a rider finds it necessary to leave *prior* to announcement of awards, riders must advise both ride chairman and appropriate division judges (Rulebook Section 5-A-5, pg. 5-1).

**Entry not valid without signed & dated liability waivers.**

## Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is reported to be extremely contagious. The state of medical knowledge is evolving, but the virus is believed to spread from person-to-person contact and/or by contact with contaminated surfaces and objects, and even possibly in the air. People reportedly can be infected and show no symptoms and therefore can unknowingly spread the disease. The exact methods of spread and contraction are not fully known, and there is no known treatment, cure, or vaccine for COVID-19. *Evidence has shown that COVID-19 can cause serious and potentially life-threatening illness and even death.*

**THE NORTH AMERICAN TRAIL RIDE CONFERENCE cannot prevent you [or your child(ren)] from becoming exposed to, contracting, or spreading COVID-19 while competing or volunteering at a NORTH AMERICAN TRAIL RIDE CONFERENCE event. It is not possible to prevent against the presence of the disease. Therefore, if you choose to attend a NORTH AMERICAN TRAIL RIDE CONFERENCE event you may be exposing yourself to and/or increasing your risk of contracting or spreading COVID-19.**

**ASSUMPTION OF RISK:** I have read and understood the above warning concerning COVID-19. I choose to knowingly accept the risk of contracting COVID-19 for myself and/or my child(ren) in order to attend the NORTH AMERICAN TRAIL RIDE CONFERENCE's event.

**WAIVER OF LAWSUIT/LIABILITY:** I hereby forever release, and waive the right to bring suit against, NORTH AMERICAN TRAIL RIDE CONFERENCE and its officers, directors, ride managers, ride officials, volunteers, ride judges, property owners and managers where the event takes place, and/or any other individual members and their representatives in any way involved in planning, authorizing, or conducting any event for and with respect to any claim of any nature arising out of exposure to, infection with, and/or spread of COVID-19 related or claimed by anyone to be related to the NORTH AMERICAN TRAIL RIDE CONFERENCE's events, services, and venues. I understand that this waiver means I give up any and all rights to bring any claims including, but not limited to, claims for personal injury, death, disease or property losses, whether based on negligence, strict liability, or any other legal theory against the parties identified in this release with respect to any COVID-19 claim.

**To the extent any dispute arises out of this agreement, the parties agree to submit said dispute to binding arbitration before a neutral arbitrator mutually selected by the parties, said arbitration to be conducted in accordance with the Rules of the American Arbitration Association. All such arbitrations shall be held in the county or district where the event occurred. If the prevailing party, NATRC shall be allowed to recover all costs and expenses incurred, including attorney's fees and costs. "MY SIGNATURE BELOW CONSTITUTES ACCEPTANCE OF THE ABOVE TERMS AND CONDITIONS. I HAVE READ AND UNDERSTOOD THIS LIABILITY RELEASE AND BINDING ARBITRATION CLAUSE."**

# RAFFLE!!

*Lots of good stuff*

## Fun facts about the Circle X Ranch:

The ranch has been in the Todd family since the early 50's. It covers nearly 3,000 acres and is bordered by the Eel River one side and the Mendocino National Forest on the other. The ride will cross the river and into the 4000 acre Eddie Ranch. Camp elevation is about 1500 ft and some of the ride (Open riders) reaches 3800 ft. There is a mixture of heavy pine forest and open meadows with lots of ponds on this ranch. The Warden Ranch next door is now part of the ride and covers nearly the same acres and elevation.

The campsite is a beautiful meadow and a shady tree filled picnic area with running water and portable toilets and even a tree swing!
